

#### **4 Clerk's / Chairman/s report**

Prohibition of waiting Crane (Cambridge Road) Industrial Estate – CCC intends to introduce prohibition of waiting at any time parking restrictions. (Plan on OHP).

SCDC Bins Policy – SCDC have now taken on responsibility for emptying litter and dog bins on the public highway (or other relevant land as defined by Statute) at no charge to the Parish Council. Emptying of bins on recreation grounds is a chargeable service. As bins need to be replaced SCDC will review the location and size of any replacement. As from now we do need to concern ourselves with buying new bins for the highway. [For your information I have just purchased two bins – for the Landbeach Road bus stop and at the end of Fen Road by the river].

CCTV on bridge – we have received no response from A Frost.

Land adjacent A14 - we have received no response from D. Atkinson's department.

Crime – Histon profile October 07 received (on intranet).

Parish Plan – a meeting was held on 15 October. Phil will give a progress report.

Community Care – Jane Darlington Community Care Foundation met with IFM and the clerk to discuss our grant application and the criteria that must be met. The Community Care Committee will meet and make recommendations to the December meeting.
