

ANY OTHER BUSINESS

The state of various ditches in the Parish was raised. The cleaning out of these had for many years been done by the C.R.D.C. and it was understood that this work would not now be carried out by them.

After a long discussion, Mr E.J. Walkling proposed, Mr F.M. Garner seconded and it was carried unanimously, "That a strongly worded letter be sent to the C.R.D.C. in complaint, as the ditches could not be left in their present state."

This concluded the business and the Chairman declared the meeting closed.
