MILTON VILLAGE HALL PLANNING AND BUILDING COMMITTEE.

The Chairman of the Planning and Building Committee gave
a brief resume of the Committee's activities during the past
year. These had resulted in a profit over the year of £62,
bringing the total accumulated funds to approximately £570.
Although licences for building Village Halls had been
suspended, it was deemed desirable to continue activities in
order that should there be an opportunity in the future to
develop a playing field or village hall sufficient funds would
be available to meet initial expenses. The County Planning
Committee had in fact granted permission for the erection of a
village hall on the Green, although it had not been possible to
acquire the site.

It was unanimously agreed that Mrs. W. Burling, and Messrs.
