41/1-07
(383/06) Mr L Saunders plots 27 & 28 Newfields Chesterton Fen Road – proposed garages, utility and hobby rooms – **refused.**

Within Green Belt – contrary to Policies P9/2a Structure Plan and GB2 South Cambs Local Plan which seek to limit development in the Green Belt to that which is appropriate or can be justified through special circumstances.

The structure significantly exceeds maximum size usually permitted for such buildings, having many of the characteristics of a small bungalow and could not be regarded as a day-room as envisaged in Local Plan Policy HG23.

No flood risk assessment provided. Contrary to Policy P6/3 Structure Plan and CS5 Flood Protection Policy of Local Plan which restricts development that increases flood risk without appropriate mitigation and contrary to advice in PPG25 Development and Flood Risk.

42/1-07
(583/06) Mr & Mrs O’Neil 15 Old School Lane – extensions - **approved.**
Structure Plan 2003: **P1/3 (Sustainable Design in Built Development);**
South Cambs Local Plan 2004: **HG12 (Extensions and Alterations to Dwellings within Frameworks).**

Finish Line Towers (2), Warden Accommodation (2) and Amenity Blocks (3) at land Between Milton &
Waterbeach In the Parishes of Milton, Landbeach & Waterbeach – **additional consultation**

Noted that the reason for the height of the bund on the eastern side was to allow spoil to be deposited as far away from the village as possible.

Comments:

- o **Disappointment expressed that the Environment Agency continued to be unable to attend meetings.**
- o **Would trees and bushes on the bund near the railway line cause “leaves on the line” problems?**
- o **A condition of any consent must ensure that construction traffic does not go through the village and especially along Fen Road Milton.**
