(47/04) Community Transport Association – confirmation of membership received together with various documents.

(52/04) Midas – IFM confirmed that Midas expected a commitment that all drivers should attain the Midas standard.

(53/04) Insurance – drivers reaching 70 years of age must have an advanced medical.

85/04 **4 Tariffs 2004**

Present charges: 50 pence per mile for youth, 60 pence non youth, for first 50 miles and then 45 pence per mile. Minimum charge £8 per day (per booking for scouts marquee business).

Having compared with commercial hire rates and discount options committee **AGREED** to recommend

that the charges stay the same with a minimum of £20 per day for bookings of longer than 24 hours.

[Reason for £20 per day: A booking could be for a week but with a low mileage].

Given the commercial rates it was agreed that there was no need to offer discounts for long hires in future as the committee were offering excellent value for money at the standard rates.

**AGREED** to recommend

that the bowls club pay £15 per trip (currently £12) and that the scouts marquee hiring fee remains the same.

The meeting ended at 8.25pm.
