New:

S/1201/16/VC - Mr Thomas Karagiannis - 39A High Street, Milton, Cambridgeshire, CB24 6DF - Removal of Condition 1(Window Designs and Materials) of Planning Consent S/0355/95/F for House. **SUPPORT – as long as 1. They try to keep the rounded brickwork around the windows. 2. Prefer to see Condition remain and consult SCDC on design in view of the fact that it is on the edge of a Conservation area.**

S/1283/16/VC - Mr Mark Smith, M & J Developments - Development Site rear of 6-8, High Street, Milton, Cambridgeshire - Removal of Condition 12 (foul water drainage) and Variation of Condition 2 (Approved Plans) of Planning Consent S/1749/14/FL - **OBJECT. 1. Plans are wrong, old manhole under portacabin’s corner “MH2” has not been upgraded – Drainage report Appendix F 2. Anglian Water should ensure the plans are right and inspect to see what they have approved as we do not think they have surveyed it. 3. Outflow goes along back of no.10 and no.12 High Street NOT between no.8 and no.10 as shown. 4. Problem was at back of no.12 where there is a sharp bend. 5. New manholes in yard have been upgraded. 6. Any problem at the “MH2”corner would flood into no.10.**

We support the resident who has proved, in front of witness, Hazel Smith, that water from no.8 passes the back door of no.10 when the toilet is flushed. A plan and photographs are also being submitted.

S/1296/16/LB - Dr James Fraser - Milton House, 28 Fen Road, Milton, Cambridgeshire, CB24 6AD - Lime rendering following removal of failing cement render and frame repair; reinstatement of three windows to front aspect; replace leaking rooflight; remove window facing into garage - **SUPPORT**

S/1320/16/FL - William Kings Home Ltd, 26 Butt Lane, Milton CB24 6DG - Demolition of existing dwelling and erection of 5, 2 bedroom bungalows – A previous application was refused and an appeal dismissed. Milton Parish Council agree that now the new plans have been reduced in scale they **SUPPORT** the application **with the following recommendations: 1. Materials - change to brick as render not appropriate and would be in keeping with existing houses in the location, removing the need for the stepping in at the bottom. 2. Front wall to be moved back and maximum height to be 600mm. 3. Remove the Berberis planting in the landscaping at the entrance.**

S/1462/16/FL - Mrs Sadie Omeregie - 20 Butcher Close, Milton, CB24 6ED - First floor extension above existing garage and garage conversion - **SUPPORT**
