Dear Sir,

MILTON PARISH COUNCIL
CLERK'S SALARY

Following the meeting between members of my Council and yourself on the 24th July, my Council have re-considered the matter in light of your advice. The Council, in agreeing that the Clerk's salary was shown incorrectly in the accounts, still maintain that the total sum is both correct and reasonable. I would, on this point, draw your attention to the Council Minute 2039, a copy of which is attached, clearly indicating the sum should cover salary and expenses.

This sum is made up as shown below:-

Clerk's Salary	£256
Rent for Storage Accommodation	£156
Heating and Lighting	£ 13
Travel Allowance	£ 25
(Based on two trips to Cambridge per week)	

The Council would appreciate your advice as to whether the salary increase should be brought to the Pay Board's attention.

On behalf of the Council I would like to thank you for your assistance in this matter.

Yours sincerely,

D. PEARSON
Chairman

Dear Mr. Pearson,

Milton Parish Council
Clerk's Salary

Thank you very much for your letter dated 2nd October.

As the Council have now carefully reconsidered the matter, I do not think I need pursue it any further, since, as I explained at our meeting on 24th July, it is not for me to simply substitute my view of what is reasonable in place of the Council's.

Having regard to all the facts I do not see either that much good would be served by referring the increase to the Pay Board at this stage.

I greatly appreciate your attitude, and that of the other Council Members, to this rather embarrassing problem.

Yours sincerely,

District Auditor
C.H. Chidzey

short time left to make grant application within the time limit of the financial year.

It was agreed that Mr. J.R.T. Taylor, R.I.B.A., be approached by the Clerk as soon as possible after this meeting and, if Mr. Taylor was willing to take over the design of the changing rooms at this late stage, an early meeting be arranged between Mr. Taylor, Mr. Foulter, Mr. Kiddle and the Clerk.

(For the rest of the meeting, Mr. Forbes took over the Chair when Mr. Pearson and Mrs. Jones left.)

Opportunity was taken to invite the Management Sub-Committee (who were on the premises) to discuss the financial backing and arrangements for making grant application. The Council agreed that it was appropriate for the Management Committee to make the grant applications and ~~the Parish Council would make~~ the necessary Planning Application.

Mr. Forbes then closed the meeting.

A MEETING OF MILTON PARISH COUNCIL HELD IN THE VILLAGE HALL ON TUESDAY
OCTOBER 2, 1973, at 7.30 p.m.

Present: Mr. D. Pearson (in the Chair); Mrs. J. G. Chinnick, Mrs. M. E. Jones, & Mrs. B. C. Waterson; Messrs H. W. H. Easy, L. M. Forbes, P. Kiddle, M. J. D. Nurse, R. T. Summerfield and the Clerk.

Mr. L. Clarke, Pembroke House, High Street was in attendance.

2237 ROAD SAFETY Mr. Clarke had complained to the Clerk about the 8
(2185) recent severe accidents in the narrowest part of the High Street near his house, and the Chairman invited him to put his observations.

The accidents had involved the destruction at different times of 2 garden walls, 2 lampposts and a stationary car; mounting pavements (a potential danger to pedestrians) and the narrow escape of one pedestrian. Most were between 10 & 12 at night and high speed was a feature.

Mr. Clarke commented on the absence of signs indicating the narrowing of the road and off the factory entrances, the dangers of the Fen road corner and bad positions of the speed-limit signs. He thought a plain clothes police officer in the village to observe the speeding and bad driving would be helpful.

The Council discussed his complaint very sympathetically and the Clerk reminded the Council that the police gave periodic supervision with radar traps, at the Council's request and also that objection to the poor positioning of the speed limit signs was of long-standing; the Council had for many years also pressed for an island at the Fen road junction without avail.

On Mr. Forbes' suggestion the Council agreed that the Clerk should write to the mid-Anglia Police expressing their deep concern at the
