II. PLANNING BUSINESS

1. Decisions Received

- 28/90 Mr. and Mrs. Gray, 30 The Rowans, extension approved.
(442/89) Permanent site to be reserved on site for turning and parking. Proposed garage to be made available for parking at all times.
- 29/90 Mr. and Mrs. Maltby, 2 Pearson Close extension approved.
(443/89)

2. New Applications

- 30/90 (468/89) S/1593/89 Perrys - amended plans showing parking area behind 8 High Street. For Information only.
- 31/90 S/2613/89 Mr. and Mrs. Wilson - 2 detached dwellings on plots one and two adjacent to 60 Old School Lane. No comments.
- 32/90 S/2639/89 Dr. E. Draper, 3 houses at rear of 8-10 Cambridge Road. Unacceptable backland development. Insufficient parking for 3 new dwellings plus existing housing and business. Access on to Cambridge Road and opposite busy Coles Road junction too narrow and without footways. Land would be better used for more adequate parking for existing surgery.
- 33/90 S/2672/89 Trinity College extension to social, recreational and conference centre at Science Park. No comments.
- 34/90 S/2679/89 Mr. Boyd, Change of use (ground floor only) of 49 Cambridge Road to restaurant and two storey extension. Comments as per S.C.D.C.'s refusal decision to S/2293/89 (min. 438/89) viz. Sevenfold increase in the amount of commercial floorspace would be undesirable intensification of use - situation made worse by type of use proposed and likely unsocial hours of opening. Car parking arrangements unsightly and wholly inadequate. The noise and fumes from traffic manoeuvring in close proximity to the mobile homes would result in loss of amenity. It was noted that Mr. Boyd had appealed against this decision.

3. Any Other Planning Business

- 35/90 Letter from Mr. Spiers. Mr. Spiers pointed out that according to the legal department of S.C.D.C. he did not live in his caravan in Fen Road while the finance department in registering him at this address for the community charge believed he did.

The meeting ended at 10.45pm.
