1. 407/88 Minutes of the Joint Meeting of 18th July 1988 were confirmed and signed.
2. 408/88 Structure of Management Committee of New Recreation Ground. J.F.C.F. proposed the principle of one Management Committee for the recreational facilities in the village.

It was noted that the present chairman, secretary and treasurer would not be prepared to work for this new Committee.

G.P. made three recommendations concerning investment of the £200,000 formation of the new Committee and spending of all the money on a pavilion and car park.

As a result the following propositions were made:-

1. J.F.C.F. proposed R.D. seconded and all agreed that the £200,000 when handed over should be invested for a period of twelve months with an option to withdraw at three months notice.
2. R.T.S. proposed R.J.F. seconded and all agreed that J.F.C.F. be appointed as convenor for the formation of a Committee to make proposals to the Parish Council for the development and management of the new recreation ground.

It was agreed that liaison between the two Committees and the Parish Council was important.

3. 409/88 Reports from Clubs. Reports were received from the netball, cricket, tennis and football clubs. A Steering Committee for outdoor bowls had been formed. All reports to be kept by J.F.C.F.
4. 410/88 Play Facilities. The cost of the proposed play equipment on the Coles Road recreation ground came to £11,000 plus carriage and erection.

The priority would be the toddlers play area.

The meeting ended at 8.40pm.
