

MINUTES OF A MEETING OF MILTON PARISH COUNCIL HELD IN THE VILLAGE HALL ON TUESDAY, 27TH MARCH, 1962, AT 7.30 P.M.

There were present:-

Mr. E. J. Walkling, Chairman;  
Mrs. D. Pearson, Messrs. L. M. Forbes, D. Pearson, S. A. Siggs and  
A. W. Wenham, together with the Clerk.

MINUTES.

The Minutes of the meeting held on 23rd January, 1962, were read, confirmed by the meeting and signed by the Chairman.

MATTERS ARISING FROM MINUTES.

674. Village Hall - Heating. The Clerk submitted details of the Electricity Off-Peak Tariff and Mr. Siggs agreed to obtain further particulars as to the running costs of electric overhead heaters.
675. Cleaning - Mrs. Pearson reported that Mrs. L. C. Edwards had agreed to act as caretaker as necessary.
676. Water Supply - Mr. Pearson reported that he had not been able to arrange for the water supply to be extended to the hall. The Chairman agreed to approach Messrs. Lack & Son and get a quotation from them for the job.
677. Bus Service - The Clerk reported that the Eastern Counties Omnibus Company had submitted an application to the Traffic Commissioners for permission to introduce an additional journey at 8.0 a.m. from Waterbeach to Cambridge, arriving 8.24 a.m. on Mondays to Fridays. Subject to the Traffic Commissioners approval this journey would be included in the new time table as from 6th May, 1962. Mr. Siggs was of the opinion that this did not constitute an extra service, but only regularised in the time table what was now a relief service. The Clerk was instructed to ask the Bus Company for confirmation that it was indeed an extra service to the present relief service.
- Information was also received from the Bus Company that an extra service at 12.0 noon from Cambridge to Milton and 12.15 p.m. from Milton to Cambridge was to be instituted. A careful check had been maintained and the Company reported that they had no instances of people not being able to board buses. They would, however, keep the position under review.
678. NATIONAL PARKS AND ACCESS TO THE COUNTRYSIDE ACT, 1949. REVISION OF THE DEFINITIVE MAP AND STATEMENT OF PUBLIC FOOTPATHS AND BRIDLEWAYS, 1962.
- The County Council would be publishing the next revised Draft Map on or before 4th October, 1962, and they sought information as to any changes to public footpaths which may have been made since publication of the last revised Draft Map in October, 1957. There had been no changes which affected public footpaths in the parish.
679. PREVENTION OF DAMAGE BY PESTS ACT, 1949.
- Chesterton Rural District Council sought information as to any agricultural premises which are known to be rat infested to a serious degree in order that their resources may be used to the best advantage. The Clerk was instructed to draw the Council's attention to the serious increase in the rat population in Bankers Ditch and the awarded ditch in Butt Lane.
