**Minutes of the Meeting of Milton Parish Council held on Monday 3 February 1997 at 7.30pm in the Community Centre.**

Present: RLE Waters (chair) RJ Farrington JE Coston IL Davis R Day IF May J Sandford HM Smith SJ Snaith RT Summerfield EY Wakeling and the clerk SJ Daniels.

61/97 1. **Apologies** received from DJ Lee CF Nunn J Shaw DT Wildman

62/97 2. **Youth Provision**  
(31/97) A Allen of IVC attended.

The youth club had had a successful year with good rapport between the youngsters and youth leaders (apart from a difficult period pre-Christmas).

M Tuck had left to be replaced by Sharon.

Peter Gillings a peripatetic leader visited the club every 3 to 4 weeks.

HMS, AA and Alison Tolehurst adviser for under 8's for Social Services had met and had agreed a programme of courses for carers of under 5's, including 'behavioural management', 'activities with the pre-school child', 'messy play' and 'First Aid'.

The Community Education was due to be cut by 3% in 1997/98. AA hoped to avoid making any cuts.

Under the terms of the National Lottery Grant the Bus Project must generate £7000 over three years. In AA's view Parish Councils should be asked for the diesel costs only approx 45 weeks at £10 per week and staffing costs should be met by the Grant.

The Bus Project Committee had an obligation to run the Bus even if MPC decided not to support it financially.

MPC expressed concern about the reliability of the Bus - it had made two visits out of the scheduled four to date. Some damage had been caused - a manhole cover broken accidentally by the Bus and a window in the sports pavilion cracked.

AA was asking for £711.70 for the visits by the Bus from May to August 1996 and £122.95 for staffing costs of the youth club.

As Tesco Charity Trust had sent £1000 towards a 'drop-in' centre it was agreed that the Bus funding should come from this and the youth club paid by MPC.

RTS pointed out that the £36 per week already agreed (see minute ) was approximately half of the costs of the sessions held during Summer 1996.
