New Applications

- (a) 5946 S/0579/84 Cambridgeshire County Council, Transit Gypsy Site on land at Mere Way. After consultation with the chairman, R.D. and P.H. the clerk had replied to S.C.D.C. with the following comments:-
  1. Parking bays allow for 30 caravans whereas planning permission was granted for 22 caravans approximately.
  2. The query was raised as to whether mains drainage would be laid on.
  3. Work areas were shown on the plan. This was queried since it was understood that under the occupancy agreement no work such as car breaking would be carried out.
  4. The incinerator adjacent to the A45 could be a health and traffic hazard.
  5. M.P.C. would like the address of the site to be shown as in Milton parish.
  6. The clerk's letter of 10 February 1983 had already referred to a 12ft high fence all round the site and the possibility of bollards to prevent indiscriminate parking. Council's views remained the same.

Council confirmed clerk's action.
