177/97 **2. Minutes of the meetings of 7 and 28 April 1997 having been circulated were approved and signed.**

3. Matters Arising

178/97 Land adjacent Coles Road/12 Fen Road

(140/97) Searches had revealed that part of the verge and rear garden of 12 Fen Road were owned by the County Council and that the remainder of the verge was owned by SCDC.

Noted that it was not possible to have preservation orders put on a hedge. J Hellingsworth could not justify having preservation orders put on the trees.

It was agreed to try to acquire the war memorial land.

179/97 Public Entertainments Licence - Waggon & Horses

(172/97) The sub committee meeting of March 17 had given RTS and the clerk powers to write to SCDC. RTS was disappointed to see the change of emphasis as recorded in minute 139/97 as the entertainments had been advertised in the Gig Guide of the Cambridge News. DTW pointed out that the artists (not the landlord) advertised and that in his understanding the letter should have set out the conditions only as required by MPC.

Two letters had been received from members of the public concerning the alleged campaign and one from the landlord of the Waggon & Horses.

RLEW suspended formal proceedings to allow members of the public to speak. Mr and Mrs Herrod and Mr and Mrs Twinn refuted strongly that they had been involved in any campaign.

DTW's comments of March 1997 merely emphasised that MPC should distance itself from any unreasonable objections.

The landlord had no desire to repeat the August Bank Holiday event.

RLEW concluded that control had been achieved over public entertainments at the public house with conditions.

He thanked the members of the public for attending.
