

Minutes of the Planning Sub-Committee Meeting held on Thursday  
17 February 1983 at 8.00pm in Milton Primary School.

Present: S.B. Poulter (in the chair), Mrs. B.C. Waterson,  
A.D.J. Bull, H.W.H. Easy, M. Waggett and the Clerk  
S.J. Daniels.

Apologies received from: R. Day and K.P. Humphries.

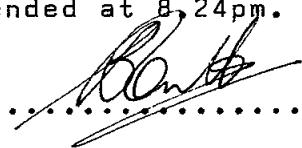

1. New Applications

- (a) 5465 S/0195/83 ICFC Developments Ltd., Brentwood,  
Essex - 17 small units and administrative  
offices at the Science Park. - Approved  
in principle. M.P.C. would ask that the  
statement "Units will be let to small  
Companies starting in business or of a  
scientific nature..." be clarified -  
would not like to see the idea of the  
Science Park diluted and would prefer that  
the application for the premises to be let  
falls clearly within the scope of the  
Science Park principle i.e. scientific  
research and development.  
It was also felt that the external  
appearance of the buildings would not  
harmonise with the remainder of the  
buildings of the Science Park.
- (b) 5466 S/0222/83 Milton Parish Council. It was noted  
that the application for the cemetery  
extension had been received.

2. Decisions Received.

- (a) 5467 K. Zdrodowski, 16 Butt Lane - residential  
(5425) development - refused - backland development  
and access would be detrimental to the amenities  
of the adjoining properties.

The meeting ended at 8.24pm.
