

Minutes of a Planning Sub Committee Meeting held on Monday 20th February 1995 at 7pm in the Community Centre.

Present: Mrs. H.M. Smith, A.J. Campbell, R. Day and the clerk
S.J. Daniels

Apologies received from Mrs. J.E. Coston

1. New Applications

71/95 S/0139/95 Cambridge Consultants, Science Park -
erection of offices.
Concern that the original concept of landscaping and
density of buildings was being lost.
The "terrapin" buildings were out of character with
the main building and should be granted temporary
permission only during refurbishment of main offices.
If permanent permission were granted then extra car
parking must be provided.

72/95 S/0149/95 Cantab Pharmaceuticals, Science Park
3 portakabins.
Concern that the original concept of landscaping and
density of buildings was being lost. Permission
should be temporary only and car parking should be
provided at same/as erection of buildings.
