/1. The Clerk reported on the Special Parish Meeting held on August 19, see MIN: 2459 ss 1-16. As a result, and as Clerk to that Meeting, he had on the Meeting's instructions by unanimous RESOLUTION, forwarded to the District Planning Officer the Meeting's endorsement of the Council's objections, together with further comments. The whole is set out in MIN: 2459/16.
/2. Corresp. recd. from applicants' Agent -The Clerk reported receipt of a letter from Messrs Cheffins, Grain & Chalk thanking the Council for the opportunity of speaking on behalf of the applicants at the Parish Mtg.

(2470/2 contd.) The letter said they had now received new instructions from the applicants which they had put to the District Planning Officer. A copy of these instructions was enclosed for the Council.

The new approach appears to be:

- (i) they are exploring possible use of the river rather than Fen road
- (ii) also less disturbing methods of gravel extraction (suction)
- (iii) possible withdrawal of the application "under certain circumstances" in favour of revival of the rowing course application "with our clients' intended objections not being put forward"

The above was discussed and agreed to refer to next Council meeting.

2471 DATE OF NEXT MEETING - fixed provisionally for FRIDAY, SEPTEMBER 20

This concluded the business and the Chairman closed the meeting.

2473 CHANGING ROOMS - (i) Mr.Kiddle (Chairman of the Working Party) reported PROJECT (2424) that quotations for sub-contract bricklaying were now being received and the Working Party hoped to meet next week to consider them.

The meeting unanimously approved this expenditure on the proposition of Mr. Forbes, seconded by Mr. Nurse.

(iv) District Council's further consideration of grant - Councillor K.P. Humphries reported on attendance at the appropriate D.C. Committee earlier that day. He regretted that very stringent restrictions were being applied over the whole District owing to the financial crisis and he had again put Milton's case. The Committee appreciated that Milton and several other parishes had commenced projects and were now caught up in the inflationary spiral and they agreed that they asked to be kept informed of these parishes' financial position as regards the projects for re-consideration at their next meeting.
