1 Sunday 4th June at 12.30pm

Pick-Your-Own

Sunclose Farm where Paul and Nelda Harrold grow strawberries and raspberries. These can be Pick-Your-Own or ready-picked, available from May to August.

2 Sunday 4th June at 12.30pm

Strawberries

Fruit growing in troughs off the ground at Sunclose Farm.

3 Monday 5th June at 8pm

Canada Geese and goslings in Milton Country Park

4 Tuesday 6th June at 7.30pm

Landbeach Road

View looking towards the A10.

5 Wednesday 7th June at 5pm

Wild flowers on slip road

A spectacular display of wild flowers on the side of the slip road heading towards the A14 interchange.

6 Thursday 8th June at 7.30pm

Development land, Landbeach Road

7 Friday 9th June at 4pm

Mere Way – looking south from Butt Lane towards Cambridge

This Roman Road is one of only five public footpaths in the parish of Milton, and forms the western boundary of the parish.

8 Saturday 10th June at 8.15pm

Football Colts Presentation Night

There are 7 Milton Colts football teams ranging from under 8's to under 14's playing regular fixtures. All players received a trophy at the end of the season. As I stood at the top of the steps behind the Community Centre waiting to take this photo of the Milton Colts with their trophies, three beautiful hot air balloons slowly passed overhead heading towards Ely.

1 Sunday 11th June at 3.45pm

Mere Way – looking north

The Mere Way looking towards Landbeach, designated a public byway.

2 Monday 12th June at 7pm

Bowls match

This bowls match was played between Milton 'A' and 'Cambs and County' in Division 4 of the Cambs and District League. Both teams were promoted at the end of the season.

3 Tuesday 13th June at 3pm

Swans and cygnets

This pair of swans has done well to raise five cygnets – all looking healthy.

4 Wednesday 14th June at 4.30pm

Mobile Library

The mobile library which visits fortnightly.

5 Thursday 15th June

May Bumps

The University May Bumps, which take place on the River Cam in June, start from the river bank in Milton.

6 Friday 16th June

Douglas Gates

Working in his picture-framing studio in Fen Road.

7 Saturday 17th June at 10pm

Millennium May Ball

200 people sat down to a sumptuous meal in a marquee on the school field and danced to the music of Rhythm and Rhapsody, organised by the Milton School Association.

1 Sunday 18th June

Football flag

Many houses were still flying St George's flag to show support for England's short run in the Euro 2000 football competition.

2 Monday 19th June

A bee-orchid

Rare bee-orchid growing wild in the front lawn of a house near Milton Country Park.

3 Tuesday 20th June at 7pm

Milton WI Millennium Community Challenge

Milton Womens Institute raised £3,000 to purchase a defibrillator seen here being presented to Dr Steward and Dr Hunt at the Milton Surgery.

4 Wednesday 21st June at 1pm

Summer Solstice

The sun was out briefly, but had gone in again when I arrived at the sun clock at 1pm British Summer Time, with Joyce Jordan, who works at Swallows Cafe in the Visitor Centre in Milton Country Park.

5 Thursday 22nd June at 4.45pm

Second World War radio station

This former radio station is now used as farm outbuildings at Penfold Farm, Waterbeach Road.

6 Friday 23rd June at 4.15pm

Topiary

When Carol Sewell moved into this house on Cambridge Road there were four birds cut into the hedge. They have gradually metamorphosed into rabbits under Carol's snippers!

7 Saturday 24th June at 3.15pm

Country Park

Robyn, Jeremy and Imogen Badley on the trail of a marsh orchid in Tomkins Mead nature reserve.

1 Sunday 25th June at 2.30pm

Marsh orchids

We searched again and found just two orchids in the undergrowth at Tomkins Mead.

2 Monday 26th June at 1pm

World of Computers

Personal computer suppliers on Cambridge Road.

3 Tuesday 27th June at 9am

Milton Hall

Milton Hall was built for Samuel Knight in 1772. This is now the offices of the automotive electronics company Pi Technology. The sister company Pi Research, who specialise in motor sports, were previously also located at Milton Hall.

4 Wednesday 28th June at 8am

Heron

On the river bank just downstream from Fen Road.

5 Thursday 29th June at 2pm

Youth Club portacabins arriving

Third of five sections for the Youth Club building being delivered to The Sycamores recreation ground.

6 Friday 30th June

St Johns Innovation Centre

The rose garden at the St Johns Innovation Centre on the "tear drop" site between the A1309 and Cowley Road.

7 Saturday 1st July at 4.45pm

Townsend Close

Named after George Townsend who apparently fell into Middleton's Pit at the age of 80 and "was saved by the timely action of a villager and her observant dog". Middleton's Pit is now filled in and is part of the recreation ground behind the Community Centre.
