

# Not the Village Fayre

Saturday 10<sup>th</sup> July – Sunday 11<sup>th</sup> July 2021

## What3words Trail – **Blue** Trail

Using what3words (either the app or website) follow the trail. Each marker (marked as part of the Blue Trail) will have either a letter or a fun fact on it. When you have made it round the entire trail you will have all the letters to make a word or phrase. This is the shorter of the two Country Park trails.

**Some locations will also have markers for a different trail. Please make sure to use the Blue answers for this trail.**

These are what you are looking out for.  
Make sure you follow the correct path!  
Good luck and have fun!

Stay alert and follow current government guidelines whilst enjoying the activities  
Please be aware of roadworks and other events  
Milton Community Centre - Registered Charity 1071503

We have found that some smartphones give slightly different locations for the references. Look around you to find the marker which will be visible from the path.

Wellies might be needed and please do not remove any of the markers. If one is missing then please get in contact with us either by email or social media!

Can you figure it out?

When you have figured it out email your completed document to [summerfairmilton@gmail.com](mailto:summerfairmilton@gmail.com) or put them through the post box at the Parish Office.

All location markers will be removed early Monday morning  
Stay alert and follow current government guidelines  
Please be aware of roadworks and other events
