

Not the Village Fayre

Saturday 10th July – Sunday 11th July 2021

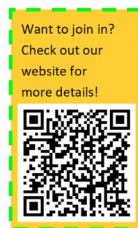

What3words Trail – **Green** Trail

Using what3words (either the app or website) follow the trail. Each marker (marked as part of the Green Trail) will have either a letter or a fun fact on it. When you have made it round the entire trail you will have all the letters to make a word or phrase. This is the longer Country Park trail more suited to adults and older children.

Some locations will also have markers for a different trail. Please make sure to use the Green answers for this trail.

These are what you are looking out for.
Make sure you follow the correct path!
Good luck and have fun!

Stay alert and follow current government guidelines whilst enjoying the activities
Please be aware of roadworks and other events
Milton Community Centre - Registered Charity 1071503

We have found that some smartphones give slightly different locations for the references. Look around you to find the marker which will be visible from the path.

Wellies might be needed and please do not remove any of the markers. If one is missing then please get in contact with us either by email or social media!

Can you figure it out?

When you have figured it out email your completed document to summerfairmilton@gmail.com or put them through the post box at the Parish Office.

All location markers will be removed early Monday morning
Stay alert and follow current government guidelines
Please be aware of roadworks and other events
