

Our fares are changing on **Sunday** **8th January 2023**

For bus routes across
Cambridgeshire, Bedfordshire, Huntingdonshire
and Peterborough

Fare changes from Sunday 8th January 2023

Sorry, we've done our best to hold back fare increases but we're afraid the time has come to adjust them.

The introduction of our new fare prices will come into effect one year since we launched our fare simplification project, which restructured fares and introduced new affordable and flexible ticket options such as Flexi and Youth. **From 8th January 2023**, we'll continue to offer the same ticket types, but at slightly different prices.

These are the first network wide increases we have made for over four and a half years, since April 2018, and we've worked hard to absorb significant cost increases to keep fares below the rate of inflation. While part of this is down to rising cost, we've also been making important investments to give you an even better experience.

The new ticket prices will add on average just 39p onto the cost of daily adult bus travel. Please take a look through this booklet for an overview of the new fares available for travel on our buses across the East.

Please note:

- Corporate ticket customers, including those who receive NHS discounts, are advised to contact their employer directly for details of any changes to their fares.
- All travel zones will remain the same, other than Ely, which has been removed due to low passenger numbers. Passengers in Ely will now need tickets for the Cambridgeshire Plus zone.
