6. **Decisions Received:**
22/05463/FUL – 29 Cambridge Science Park, Milton – Installation of a Plant Condenser unit on the roof of the Auton Building **GRANTED PERMISSION**
22/05315/HFUL – 14 Faulkner Close, Milton – Single storey to rear **GRANTED PERMISSION**
22/05276/HFUL – 7 Lander Close, Milton – Second storey rear extension **GRANTED PERMISSION**
22/1485/TTCA – Milton Hall, Ely Road, Milton – (Tree work) T131 Elm 60% dead pollard at 4 metres **HAVE NO OBJECTION TO**
22/1487/TTCA – Milton Hall, Ely Road, Milton – (Tree work) T47 previously pollarded London Plane: reduce growth by 3.5 metres and thin remaining crown by 15% **HAVE NO OBJECTION TO**
22/0976/TTPO – 2 Willow Crescent, Milton (Tree work) Sycamore - 1) Lifting - removal of some of the tertiary growth at the lower outer edges of the canopy (NOT removal of lower branches). Taking the weight off tertiary growth has the effect of allowing these thin branches to lift. 2) Removal of some of the thinner, spindly internal crossing branches to make the canopy more airy - but NOT removal of the major branches. The tree should be able to heal these smaller wounds. 3) Trimming extended laterals - by that I mean taking off outer sections of the canopy which extend beyond the average circumference of the main canopy. 4) All of this work I would therefore propose for a 4.5 metre reduction across the circumference of the tree. **REFUSED PERMISSION**
7. **New:**
None to date
8. **Dates of next meetings**
Monday 20 March 2023 – 7pm

OBJECT: On Highways and Safety concerns. Milton Parish Council has concerns of volume of extra traffic dropping off/picking up at the site, either parking on the wide public footpath or adding further parked cars to Ely Road, Fen Road and Willow Crescent.

The car park is situated at the rear of the building and only allows one car in/out at a time. At times this is a very busy school route.

Milton Parish Council support the objection of the Local Highways Authority and would like to see a Transport Statement.
